

Lisa A. Fontes, PhD, is an internationally known expert on coercive control, child abuse, intimate partner abuse, and sexual violence. She is a researcher, professor, expert witness, and author. She wrote the second book ever written on coercive control: Invisible Chains: Overcoming Coercive Control in Your Intimate Relationship.

You can find her writing in academic journals and in *Domesticshelters.org* and *PsychologyToday.com,* where millions have read her columns. Dr. Fontes serves as an expert witness in family, civil, and criminal courts on a range of cases.
